

2022 TOWNIE AWARDS GUIDE

NOMINATIONS DUE FRIDAY, MARCH 25TH 2022 @ MIDNIGHT

Leading by Example

RECOGNIZING PA PROGRAMS AND LEADERS THROUGH THE TOWNIE AWARDS

The Townie Awards are a festive and venerable tradition designed to recognize the commonwealth's core communities and individuals for creation and implementation of projects, programs and events that exemplify the goals of PDC's community revitalization mission. Eligible communities consist of Pennsylvania Downtown Center's nearly 200 member organizations, including Main Street and Elm Street programs, making the Townies a competitive award process each year.

With this year's Townie awards, PDC is again providing programs an opportunity to highlight

their ingenuity as communities pivot to respond to the continued impacts of the Covid-19 pandemic.

Townie categories remain the same but because of the pandemic you had obstacles which required resourcefulness and we encourage you to showcase those accomplishments.

Because of the pandemic, did you re-create an event, establish an innovative partnership, or successfully reinvent a program or project? We want to hear your stories and celebrate with you.

General Nomination Criteria

1. Two-year window: Projects, programs, and activities nominated for awards must have been completed between January 1, 2020 and December 31, 2021.
2. The applicant or nominee must be a member in good standing of Pennsylvania Downtown Center (PDC) at the time of nomination.
3. Applications must clearly identify the applicant and the nominee.
4. The applicant is responsible for fulfilling all application submission requirements.
5. The Awards Committee will review submissions based solely on the application and supporting materials submitted. The Awards Committee may not arbitrarily move an application from one awards category to another; however, they may notify the applicant that a nomination does not meet the criteria established in the category for which it was submitted. Based upon such notification, the applicant may submit a revised application form. All other support material need not be re-submitted.
6. Depending on the nature of the application, a re-submission may be necessary. Applicants asked to resubmit an application will be given sufficient time to do so. Any re-submission not received within that time frame may be ineligible for further consideration.
7. Submission of one or more nominations in a category does not mean that an award will be granted in that category. Determination of whether one, or various nominations in any category, are worthy of consideration and award shall be made exclusively by the Awards Committee. The recommendations of the Awards Committee shall be delivered to PDC Executive Committee for approval subject to a review of procedures used by the Awards Committee.
8. For award categories that contain sub-categories, the Awards Committee may, at its discretion, award Townies in one or more of the sub-categories.

SEE IMAGE + IDENTITY CHECKLIST

SPECIAL OR NEIGHBORHOOD EVENTS

This sub-category recognizes a noteworthy festival, fair, parade, block party, or other such annual event that, through its planning, quality, scope, level of participation, or extent of positive impact, furthers the community's broader objectives. This category may also recognize an annual calendar of special events that accomplishes the items detailed above. Note: Because this is the most popular category for submissions, simply supporting the event by referencing its attendance levels and generation of revenue may not be sufficient to make the nomination competitive. LIFETIME ACHIEVEMENT AWARD (AKA THE TERI FOSTER AWARD)

Every so often an individual comes along who views community revitalization efforts not merely as a job, but as a labor of love. These rare individuals make a dramatic impact not only on an individual community, but on the entire field of downtown revitalization. In an effort to recognize these individuals who have gone above and beyond the normal requirements of their job (and for an extended period of time), Pennsylvania Downtown Center reserves this most esteemed award. This category is only open to individuals with 10 or more years of experience in the community revitalization arena, and who have demonstrated a commitment to the Main Street or Elm Street philosophy and a deep understanding and appreciation of downtowns as the soul of community. The nature of their contributions must be evidenced through impact on more than one community, although the nominee need not necessarily have worked in more than one business district during their professional career. Due to the nature of this award, approval is required by PDC's Executive Director and the Teri Foster Awards Committee, prior to submission to PDC executive committee for review and approval. For this award only, a nominee need not be a member of Pennsylvania Downtown Center.
