**2024 Funding Opportunity**

**GUIDELINES AND APPLICATION**

- The full Funding Opportunity Announcement is [here](#) as a doc.
- The FOA is [here](#) as a pdf.
- The application is Appendix E of the FOA; it is available [here](#) as its own doc.

**FUNDING OPPORTUNITY WEBINAR**

- The recording from the 2/7/2024 webinar is now available for review [here](#).
- The slides are available [here](#).

**ELIGIBILITY**

All municipalities in PA are eligible to apply. The Department of Health has designated some priority areas, specifically those in the State Physical Activity and Nutrition (SPAN) priority counties and those that are rated as 60% or greater in the Final Score Percentile of the Department of Environmental Protection's PennEnviroScreen system:

- The current PA SPAN Counties are Clearfield, Erie, Fayette, Greene, Lawrence, Luzerne, Lycoming, Mercer, Northumberland, and Philadelphia.
- To see your community's census tract ratings in DEP's PennEnviroScreen tool, please refer to this [link](#) for overall information and this [link](#) to open the interactive map.

**DEADLINES**

- The deadline for submitting written questions about the FOA is March 8.
- Applications are due March 22; they must be emailed to [pawalkworks@padowntown.org](mailto:pawalkworks@padowntown.org) by 5p.m. that day.
